COUNTY LEAGUE GAMES

Littleton at Wilmington was the game on the menu for the after-supper fans on Thursday night. The scene: Town Park. This game was originally scheduled for June 22, but by mutual agreement it was played on this date, May 18.

The slants of Bill Mosack left the Littletons a bit slant-eyed, for they garnered no more than two (count 'em) hits. His battery mate, Tony Koskevitch, proved a real sparkplug in handling Bill's offerings. The Associates were able to collect nine hits for seven runs, from the deliveries of Gallagher and Healy. The hitting of Lew Webster, Bob Baker, Beano Lawler and Bill Mosack featured this encounter. Gerbi was the mainstay for Littleton. The Associates play again at the Town Park on Sunday, May 28 with Forge Village Arrows, a smart ball club, as their opponents.

On Sunday afternoon last, the County League got off to an auspicious start when the Associates defeated the Ayer A. A., by a 4 to 2 score. The occasion was graced with the presence of two of the Selectmen, Charles H. Black and Frank Dayton. The former took the mound and the latter donned the mask and glove and did his stuff behind the bat. Bob Baker took his stance at the plate and with Wayne Peterson in the role of umpire, Mr. Black wound up and cut loose with a high hard one which the batter couldn't even see. His umps called a strike and the game was on.

The batteries for Wilmington were our very good friend the milkman, Lefty Grateyk, throwing them up, and Tony Koskevitch, the Al Lopez of the team, catching. For Ayer the battery was Mons Picard, behind the platter, and Warren Cote, hurling.

Beano Lawler, John Cuoco and Dick O'Neil were outstanding at the plate and the great fielding of the entire outfield, with Louie "Jeep" Balestreri, in the starring role, left nothing to be asked. "Okie" O'Connor of Ayer was the star of the visiting team.

SCOUT NEWS

Spring must be here, as for proof, the Wilmington Scouts held their first outdoor meeting, with an attendance of 51 boys. The opening was held in front of the Congregational church, with an inspection by the officers.

The boys made a very impressive showing outside, and we had many spectators. After inspection the boys drilled under the leadership of Irving Rice and Charlie Soule, aided by the patrol leaders.

The boys are shaping up fine. The boys came in when it became dark and we held an instruction period and game period. We played "seize the bacon." The meeting closed at 9:00 o'clock.

The V. F. W. has asked the scouts to assist them to sell poppies before Memorial Day. Six boys have volunteered. There will be prizes to the boys who sell the most poppies. This is just one of the many good turns the scouts are called on to do.

The scouts will participate in the community project now in progress, that of replacing the trees blown down by the hurricane. We are very glad of the opportunity to help in this worthy cause.

We are now making a drive for new scouts before Memorial Day. There will be an investiture on Friday, May 26. All boys who receive their pins at this time may march in the parade with the scouts. Our aim is one out of every four boys over twelve a scout in 1939. More scouts make a better community and better town.
